Barbara's term of office will end in April 2009 and we should add another member.

Tree Removal

Governor O'Malley's Office Meeting

Two members from the Governor's office met with Barbara and will send her a link to add to the Town website to give the Town members access to State of Maryland information. The representatives recognized a common problem Oakmont shares with other communities regarding the difficulty of following up on the contractors to repair holes in the asphalt after installing a utility line in the street.
