

Minutes of Oakmont Citizens Committee
June 15, 2009

The meeting was called to order at Marilyn's Mazuzin's home at 7:10.

Mike mentioned that he had a bill for work done in Daley Lane and he will evaluate the bill and then have it paid when Ase Sewall returns home.

Directory Update: Each member of the committee will go to homes to update addresses and e-mail address for the Oakmont Directory. Ella will do even numbers on Oakmont and Mike and Marilyn will split Oak Place.

Picnic: We discussed ways to lower the costs of the picnic and it was suggested that we could shop at different less expensive stores. Ella volunteered to buy wine and beer if given a list of what is needed.

Trees: The committee is receiving estimates from tree people and will evaluate the bids before making a decision as to who will carry out the work.

Insurance: The town of Oakmont has received a bill for insurance. Ella will get a copy of the policy and talk to another insurer to determine if we can pay less for the same coverage.

Parking: Some tickets have been issued and new permits have been issued.

BRAC: Thursday evening June 18, 2009 there will be a meeting with SHA personnel at the home of Marilyn Mazuzin. It will include members of the Oakmont Committee and residents who live on the other side of Oakmont Avenue.

Suburban: There is no new to report on the hospital expansion at the present time.

NIH: There is no new information.

Please review these minutes and submit any changes to me so I can amend them.

Thanks.

Respectfully submitted,

Ella Iams
