Marilyn Mazuzan – Suburban Hospital

There was nothing to report on NIH. Local bus service in the area maybe reduced during the day. Planning Board review of Suburban's expansion voted to close Lincoln Avenue and approved the expansion. Marilyn has been asked to testify why Suburban's expansion is important to the Town of Oakmont. An E-mail will be sent out to the Town of Oakmont asking for feedback on "How the expansion of Suburban will benefit the Town Oakmont".

Barbara Moskowitz

Donna will update the phone directory and Mike will review the Oakmont flyer. Barbara received two estimates for tree work from \$1,200 - \$1,800 for three days work. Tree on Oak Place should be removed.

Ase Sewall – Financial Report

Ase reported a balance of \$89,388.50 in the account.

Barbara Moskowitz

Barbara mentioned the idea to form a committee to review the widening of Oakmont Avenue. An E-mail will be sent out stating we are interested in studying the widening of Oakmont Avenue. Barbara will approach Eric Voit. County will not let the Town of Oakmont put in curbs on only one side of the street, because the curbs belong to Montgomery County.

Pat Mazuzan

Proposed buying wind power for the Town of Oakmont at three year fixed rate for electricity. The cost would be cheaper than PEPCO.
