

Oakmont Citizens Committee
Minutes of Meeting September 7, 2010

Financial Report- Oakmont is solvent. The financial materials are being sent to the auditors.

Parking- There was none.

Suburban Hospital- There is no news. However, there should be some information on September 15 from the Board of Appeals.

BRAC- The renovated Naval Hospital will open by September 2011 but it appears no road changes will occur by that time.

NIH- No news

Other

Daley Lane- Mike will speak with our maintenance person so Daley Lane will be clean for the October 9 picnic.

Picnic – It will be held on Saturday October 9 from 4 until dark. Mike, Marilyn and Ella will set up. The arrangement will be changed this year. The moon bounce will be in the backyard of the Jacobs home on Oakmont adjacent to Daley Lane so families do not have to cross Oak Place to check on children using the moon bounce. The picnic will be a pot luck with no grills for barbecuing.

Maryland Municipal League-Oakmont withdrew its membership from this organization since we have participated in its activities and do not realize much benefit from the organization.

Board of Elections- Marilyn and Ella will proceed to be sworn in once the letter is sent to the Board indicating our terms of office.

Curbs- No change

Trees – Carol Rogentine made a request to have a tree looked at and we suggested that she have an arborist look at her tree and diagnose the problem and then she can decide what contractor she wants to hire to do the work. It is not a town tree.

Directory – The Directory will be ready for the picnic. We will have them labeled so we can distribute to the attending families and then hand deliver those directories that were not distributed.
